Ferrier were added to the committee appointed by the General Assembly at Ottawa, to obtain necessary legal advice, and to take steps for making application to the several Provincial Legislatures for such legislation as may be necessary for the conveyance of property to the United Church.

Motion.
Report re-
ceived.
Thanks, &c.

It was moved by Dr. Burns, seconded by Principal McVicar, as follows:—The General Assembly receive the Report, adopt its recommendations, return thanks to the committee and especially to the convener, and hereby renew the testimony which, for a succession of years, they have borne against the enormous evils of intemperance. Every year gives increasing force to their conviction that it is the chief cause of poverty and crime throughout our land; that it is the principal occasion of discipline in our Church, and that there exists no more formidable obstacle to the spread of the Gospel amongst us.

Moral Su-
asion.

The General Assembly hail every well designed and well directed effort to arrest the progress of intemperance; counsel the employment of moral suasion, and the exhibition of a consistent example, with this view, on the part of all office bearers and members of our Church, and earnestly deplore the sanction given by the licensing system; in its present form, to a traffic fraught with effects so disastrous.

Licensing
System.

Prohibitory
Law.

The General Assembly would express approval of the passage of a Prohibitory Liquor Law, and authorize the Moderator and clerks to prepare and forward memorials to the Legislature to this effect.

Petitions for
lesser mea-
sure.

The General Assembly would also authorize memorializing the Dominion and Local Legislatures for any lesser measure which may seem likely to abridge the evils of intemperance, re-appoint

the committee, and instruct them to attend to this matter, and, if Committee deemed advisable, to wait by deputation on the public authorities.

The General Assembly further recommend to Synods, Presbyteries, and Sessions to have special regard to the sources of intemperance within their bounds, and to use every legitimate means for their removal.

It was moved in amendment by Principal Caven, seconded by Dr. Thornton, That it be remitted to a committee, of which Dr. Burns shall be convener, to take into consideration the subject of temperance as brought before the Assembly by the Report on that subject; to report to the Assembly, at its meeting to-morrow forenoon, a deliverance on the whole question, which may be adopted by the Assembly.

The Report was presented and read by Professor McLaren, the convener of the committee, and set forth in terms,—That returns had been received from 19 Presbyteries, 226 Sessions, and 238 Congregations; that

all the Presbyteries approved of the Remit; that in the case of one Presbytery, that of London, the motion to approve *simpliciter* was carried by the casting vote of the Moderator, over an amendment taking exception to the resolution on modes of worship; and that in the Presbytery of Guelph the motion to approve *simpliciter* was carried by a vote of 16 to 6; that 217 Sessions approved and 9 disapproved; one Session only distinctly disapproving of the Remit generally, the others dissenting from the resolution on modes of worship; that 231 Congregations approved *simpliciter*, and, as in the case of Sessions, one disapproved the remit generally, and six disapproved on the ground of the resolution on modes of worship.

arise Return The Committee called attention to the terms of the return from the Presbytery of Paris, and recommended that it be read to the Assembly. The return from the Presbytery of Paris was accordingly read, stating in substance that the Presbytery approved *simpliciter* of the Remit on Union, Mr. McTavish alone dissenting from the resolution on modes of worship, but advising that, inasmuch as, in the opinion of the Presbytery, the adjourned meeting called to meet on the 3rd of November was incompetent to deal regularly with the new matter introduced into the Basis of Union, final action be not taken in the matter of Union until the regular meeting of Assembly in June, 1875.

Constitution of next Assembly. The committee reported also on the Returns to the Remit anent the Constitution of the next General Assembly, in terms,—That 15 Presbyteries approved *simpliciter*; and one Presbytery, that of Paris, disapproved of the course proposed as unconstitutional.

At the request of the Moderator, these papers were read by Dr. Topp. The extract minute was ordered to be engrossed in the minutes, and is as follows:—

“At New Glasgow, and within James’ Church there, the twenty-first day of October, one thousand eight hundred and seventy-four, the Synod of the Presbyterian Church of the Lower Provinces met and was constituted.

Inter alia: The Synod, finding that all the Presbyteries of the Presbyterian Church of the Lower Provinces, with one exception, not yet heard from, have reported, in terms of the Barrier Act, in favour of Union with the Canada Presbyterian Church, the Presbyterian Church of Canada in connection with the Church of Scotland, and the Presbyterian Church of the Maritime Provinces in connection with the Church of Scotland; and that one hundred and seven congregations, and one hundred and seven Sessions have also reported in favour of said Union; desires to express its gratitude to God for the unanimity and harmony which have prevailed, and the happy issue which has been reached; and

the Synod is accordingly prepared to take what further steps may be necessary in order to an early consummation of the union with the other negotiating Churches.

meeting of the Supreme Court of this Church in June next, in the
event of the other Churches agreeing to the same : and further, the
General Assembly, in coming to this resolution, does express its
thankfulness to the God of all Wisdom and Grace, who has guided
the Church to the harmonious termination of the negotiations
carried on for several years, and its fervent prayer that the Union
about to be consummated may by His blessing be made eminently
conducive to the advancement of the cause and kingdom of the
Lord Jesus Christ in this and in other lands.

Amendment It was moved in amendment by Mr. W. T. McMullen, and seconded, that inasmuch as Mr. Beattie's application was forwarded to Ottawa, in June, though not in a formal manner, leave be now granted, in the special circumstances of the case, to any Presbytery to receive him as a probationer of the Church.

Decision—Application granted. A vote being taken, the motion of Principal Caven was carried by a majority, and the Assembly agreed to grant leave to the Presbytery of Simcoe to receive Mr. Beattie in terms of their application.

CONFERENCE.

Conference, Report of Deputation The deputation, appointed at an early period of this Sederunt to await upon the Synod of the Presbyterian Church of Canada in connection with the Church of Scotland, to inform them of the action of the Assembly this afternoon on the subject of Union, and with a view of inviting the Synod to a conference with the Assembly in regard to the most eligible place for holding the meeting for consummating the Union, now returned. Dr. Topp, on behalf of the deputation, reported verbally that they had discharged the duty assigned them; that they had been received by the sister Church with respect; that the Synod expressed themselves gratified with the message from this Assembly in regard to the action on Union, and charged the deputation to inform the Assembly that the Synod would send an answer to-morrow, stating at what time they would come to this church to hold the conference desired.

MCGUIRE, MR. H.—APPLICATION OTTAWA PRESBYTERY.

McGuire, Mr. H.—Application for. There was transmitted by the Committee on Bills and Ordinances, an application from the Presbytery of Ottawa, asking leave to receive as a probationer of this Church Mr. Hugh McGuire, a licentiate of the Presbytery of New York, of the Presbyterian Church in the United States,—the committee stating in relation to this application, also, that it had not been before the Assembly in June last. The papers were read.

NICOL, MR. P.—LICENSURE OF.

There was transmitted by the Committee on Bills and Over-
tures an extract-minute of proceedings of the Presbytery of
Chatham in regard to the licensure of Mr. Peter Nicol, a student
of divinity, setting forth that, owing to some omission or over-
sight, the General Assembly had not granted leave to the Pres-
bytery to take Mr. Nicol on trial for license; that the Presbytery
seeing that Mr. Nicol's certificates were highly satisfactory, and
that application had been made by them in the usual form to
the General Assembly for leave to license him, resolved under
the circumstances to proceed with the licensure of Mr. Nicol, and
to report their action to the adjourned meeting of the Assembly
in November, for their sanction; and that Mr. Nicol having
read the discourses prescribed by the laws of the Church, had
been duly licensed by the Presbytery as a preacher of the gospel.

After explanation from the Corresponding Clerk of the
Assembly, on motion, the Assembly sanctioned the action of the
Presbytery of Chatham, in the premises.

MANITOBA PRESBYTERY—CO-OPERATION, OVERTURE ON.

The Assembly took up an overture, delayed from the meeting
at Ottawa, transmitted by the Presbytery of Manitoba, and bear-
ing the signature of certain members of said Presbytery, in
reference to co-operation in Church work, under certain regulations,
specified, with Ministers of the Presbyterian Church of Canada in
connection with the Church of Scotland. The overture was read.
It was further stated by Mr. Reid, that a memorial had lately
been received from the Presbytery of Manitoba, adopting the
said overture as their own, and paying the Assembly to adopt
the scheme of co-operation set forth therein.

The Assembly, on account of the lateness of the hour, agreed
to defer consideration of this overture at the present Sederunt.

DISSENT—REASONS OF—MR. J. MIDDLEMISS.

There were here submitted and read, reasons of dissent by Mr.
James Middlemiss from the action of the Assembly, at last Sederunt,
on the Report of the Committee on the Returns to the Remit on
Union. The reasons were received, and ordered to be entered on
the minutes, and are as follows:—

"The undersigned dissents from the decision of the General
Assembly approving *simpliciter* of the Remit on Union, for the
following reasons, viz:—

1. The said decision, in accordance with the terms of the
preamble of the said remit, involves an acknowledgment that
the Church of Scotland, as at present constituted, holds the same
doctrine, government, and discipline as this Church does.

2. The said decision, in accordance with the terms of the
resolution on the mode of worship, contained in said remit,
practically legalizes any irregular practice that may have crept, as
such practices almost invariably do, into congregations previous
to the contemplated Union.

(Signed), JAMES MIDDLEMISS.

DISSENT—REASONS OF—MR. J. ROSS.

Dissent—
Reasons of—
Mr. J. Ross. There were farther presented and read reasons of dissent by Mr. John Ross, from the resolution of the Assembly on Union. The reasons were received and ordered to be engrossed in the Minutes, and are as follows:—

“1. Because there is, in my view, in the first article of the basis a departure from sound doctrine regarding the Word of God as the sole rule of faith and obedience.

2. Because there is not in the basis a satisfactory recognition of the rights of the Lord Jesus to the submission and obedience of civil rulers, while, by the terms in which the reception of the Confession of Faith and the Larger and Shorter Catechisms is qualified, the statements of said documents concerning the Headship of Christ over the nations stand stripped of their authority.

3. Because the preamble of the basis involves an acknowledgment of the Church of Scotland as at present constituted, thereby going far to nullify the testimonies given to the truth by the Disruption Protests, and damaging the statement given in the same preamble on the sole Headship of Christ over his Church.

4. Because the resolution on modes of worship practically legalizes any irregular practice that may have crept into any congregation prior to the Union, and especially demands of all entering the Union a pledge to allow, in all time coming, the use of instruments of music in public worship to all congregations following that practice at the time of the Union.

(Signed), JOHN ROSS.”

ABSENCE, LEAVE OF—MR. REID.

Absence,
leave of, &c.
Mr. Reid. The Rev. Mr. Reid, General Agent of the Church,* and Corresponding Clerk of the Assembly, asked leave of absence during the remainder of this Session of the Assembly, on account of the serious illness of a member of his family in a distant city, and whom he felt it to be dutiful to visit as soon as possible. The Assembly granted the leave asked, and agreed to express their sympathy with Mr. Reid, under circumstances so urgently requiring his retirement from this meeting.

The hour of adjournment having arrived, the diet was closed, the Moderator pronouncing the Benediction.

FIFTH SEDERUNT.

KNOX CHURCH, TORONTO,

Thursday, November 5, 1874, 10. a.m.

The Assembly met according to adjournment last night, and, as agreed upon, the first hour was spent in devotional exercises, in which thanksgiving to God for the harmonious and satisfactory conclusions to which the Assembly had been brought on the matter of Union formed an especial element. Prayer was offered, in succession, by Messrs. James Whyte, J. McAlister, Dr. Taylor, and Principal Caven, with the singing of Psalms and the reading of the Scriptures in the intervals.

Dr. Bell, from the Synod, that they would be prepared to hold conference with this Assembly at twelve o'clock to-day.

DEATH OF MINISTERS—COMMITTEE TO DRAFT MINUTE.

The Assembly, on motion made and duly seconded, appointed ^{Death of} Dr. Burns, Mr. James Middlemiss, and Mr. George Cuthbertson ^{Ministers—} to draft a minute which may be placed on the record of the As- ^{Com. to draft} sem- ^{Minute.} bly, in relation to the death recently of Mr. John Baird, minister at Port Stanley, and of Mr. James Nisbet, missionary to the Cree Indians of the Saskatchewan, at Prince Albert. MANITOBA—OVERTURE FROM.

CONFERENCE.

Before any decision was come to on this subject the hour of ^{Conference.} twelve o'clock arrived, and, as intimated at the commencement of this Sederunt, the Assembly received into conference the Synod of the Presbyterian Church of Canada in connection with the Church of Scotland, on the matter of the most eligible place for holding the next annual meetings of the Assembly and of the Synod.

After sitting for some time the conference rose, and the Assembly resumed.

The hour of adjournment having come, the diet was closed with the Benediction.

SIXTH SEDERUNT.

KNOX CHURCH, TORONTO,

The minutes of last Sederunt were read and sustained.

Minutes read

MANITOBA—OVERTURE FROM, ETC.

Principal Caven here moved, seconded by Dr. Proudfoot, That ^{Manitoba—} the Assembly do now reconsider the action taken at the meeting at ^{Overture} Ottawa in regard to the appointment of the Rev. Mr. Hart to a ^{from, &c.} professorship in Manitoba College.

Exception— Exception was taken to this motion on the ground that no
Ruling. notice had been given of the step proposed to be taken. The Moderator ruled that inasmuch as Principal Caven had introduced the subject in the morning, though the proposed resolution had not been formally put to the house, a notice of motion had thus virtually been given, and that therefore the motion was competent.

Motion The motion for reconsidering the action of Assembly in the
agreed to. matter of Mr. Hart, as above recorded, was then put to the house and unanimously agreed to.

Overture It was then moved by Principal Caven, duly seconded and
referred. resolved, That the overture from Manitoba be sent to a committee, to consist of Drs. Topp and Taylor, and Messrs. King, MacTavish, Caven, Taylor and Ferrier, to consider it carefully, and report a deliverance to the General Assembly at this Sederunt. The committee were then ordered to retire to consider the matter remitted to them.

CONFERENCE—REPORT ON.

Conference— The clerk reported a resolution adopted at the Conference held
Report on. at noon with the Synod of the Presbyterian Church of Canada in connection with the Church of Scotland, in terms following:—The conference, on the motion of the Rev. Andrew Wilson, seconded by the Rev. Gavin Lang, resolved, almost unanimously, That the General Assembly and the Synod should hold their next annual meetings at the City of Montreal.

BAIRD, REV. J., AND NISBET, REV. J.—DEATH OF.

Death of The Assembly called for the report of the committee appointed
Messrs. in the morning to draft a deliverance for the adoption of the
Baird & Assembly on the death of Mr. John Baird, minister at Port
Nisbet. Stanley, and of Mr. James Nisbet, of the Prince Albert Mission.

Mr. Baird— Mr. George Cuthbertson read a draft-deliverance in relation to
Minute on. the death of Mr. Baird. A draft-deliverance was read by Dr. Burns on the death of Mr. Nisbet. On motion, the joint report was received and adopted, and the deliverances contained therein were ordered to be engrossed, and are as follows:—

BAIRD, REV. J.

Baird,
Rev. J.

The attention of the General Assembly having been called to the very sudden death of Mr. John Baird, of Port Stanley, one of its members, which took place on Sabbath, the 27th day of September last, after he had officiated at the morning service of his congregation, the Assembly records its deep sorrow in the loss of a minister distinguished beyond many by attainments as a scholar, amiability of disposition, pulpit power, and Christian work; and, further, record the earnest prayer that ministers of the Church, to all of whom Mr. Baird was more or less known, may profit by a due consideration of his death and its very solemn circumstances, and be led to renewed diligence in the work of their ministry, so that, through the mercy of the God and Father of our Lord Jesus Christ, they may be approved when they stand in their lot at the end of the days.

NISBET, REV. JAMES.

The attention of the General Assembly was further directed to the fact, that Mr. James Nisbet was removed by death, at Killdonan, in the Province of Manitoba, on 30th September last, and agreed to place on record the following deliverance:—

Mr. Nisbet was one of the first fruits of Knox College. For a period of twelve years, from 1850 till 1862, he made full proof of his ministry in one of our home charges, and was abundant in his evangelical labours throughout our Home Mission field. In 1862 he was selected by the Foreign Mission Committee to proceed to the Red River, and for two years was associated with Mr. Black in ministerial work there. In 1864 he was designated as a Missionary to the Indians of the Saskatchewan, and founded the Prince Albert Mission. For the past ten years he has laboured there, with unflagging zeal and self-denying devotedness, amid many difficulties and discouragements. The General Assembly would place on record their high estimate of his worth as a man and his faithfulness as a missionary. They would recognize the hand of the Lord in his sudden removal, following so closely after that of his estimable partner. They would affectionately commend the orphan children to the practical sympathy of the Church, and to the tender care of a covenant-keeping God. They would sympathize with the mission thus deprived of its head, and pray the Lord of the harvest to send forth more labourers into the hopeful and necessitous field from which this earnest worker has been removed.

LEGISLATION—REPORT ON.

The Assembly called for the report of the committee appointed in June last, to obtain necessary legal advice, and to take such steps as might be deemed proper for making application to the several Provincial Legislatures, for legislation necessary for the conveyance of property to the United Church, and who were to report to this meeting of Assembly.

Mr. T. W. Taylor, the convener of the committee, presented and read an interim report, embodying the draft of an act which it was proposed to complete by the addition of other sections mentioned, and to submit to the Legislatures of the Dominion and of the several Provinces.

It was moved by Professor McLaren, seconded by Dr. Proudfoot, and agreed to, that the interim report be received, and generally approved of; that the thanks of the General Assembly be tendered to the convener of the committee for his valuable services; and further, that the committee be empowered to perfect their work, and to take the proper steps to secure the necessary legislation, in the Dominion and Local Legislatures.

COMMITTEE—ADDITION TO.

On motion of Mr. T. W. Taylor, seconded by Professor McLaren, it was agreed, that the names of Mr. Justice Torrance, and James McLennan, Esq., M.P., be added to the Committee on Legislation.

The committee, with the above addition, together with that made at a former Sederunt, at this meeting, is as follows:—T. W. Committee.

Taylor, Esq., convener; Dr. Topp, Professor Gregg, D. Guthrie, Esq., Dr. Proudfoot, J. S. Archibald, Esq., Principal Caven, Principal McVicar, Professor McLaren, Mr. John McTavish, Mr. A. D. Ferrier, Mr. Justice Torrance, James McLennan Esq., M.P.

PETITIONS—MODERATOR EMPOWERED.

Petitions—
Moderator
to sign.

On motion of Mr. T. W. Taylor, seconded by Professor McLaren, it was resolved, that the Moderator be authorized to sign and present the petitions necessary for obtaining legislation affecting the property of the Church, in view of Union.

BOUNDARIES—SYNODS AND PRESBYTERIES—COM. ON.

Boundaries
—Com. on.

On motion of Mr. William Moore, seconded by Dr. Thornton, the Assembly resolved, that a committee, consisting of five members of each of the Synods, be appointed, who shall hold conference with a similar committee of the Synod of the Presbyterian Church of Canada in connection with the Church of Scotland, should such a committee be appointed, to suggest a definition of the boundaries of the Synods and Presbyteries in the Provinces of Ontario and Quebec, and to report to the first meeting of the Supreme Court of the united Church, immediately after the Union.

Committee.

The committee under the resolution foregoing was then appointed as follows:—For the Synod of Montreal—Mr. William Moore, convener; Messrs. James Watson, James Hastie, Thomas S. Chambers, Alexander Young.

For the Synod of Toronto—Dr. Thornton, Messrs. W. Donald, J. M. King, D. J. McInnes, John Gray.

For the Synod of Hamilton—Messrs. D. H. Fletcher, William Cochrane, R. Torrance, William Park, A. G. Forbes.

For the Synod of London—Messrs. George Cuthbertson, Thos. McPherson, R. H. Warden, Arch. McLean, and Dr. Proudfoot.

For the Presbytery of Manitoba—with *Synodical Powers*—Messrs. John Black, Alexander Frazer, Alexander Matheson, Prof. Bryce, James Robertson.

DISSENT—ANSWERS TO REASONS.

Dissent—
Answers to
Reasons.

The Assembly called for the report of the committee to frame answers to the reasons of dissent from the action of the Assembly on Union, submitted last night by Messrs. Middlemiss and Ross. The answers were presented and read by Dr. Topp, the convener of the committee. On motion, the answers were received and adopted, and are as follows:—

1. The first reason of Mr. Middlemiss, which is the same substantially as the third of Mr. Ross, is simply answered by the counter statement that the preamble and basis do not involve the acknowledgment of the identity of this Church with the Church of Scotland as at present constituted, and that, consequently, the dissentients are not warranted in making any statement which seems to indicate the acknowledgment of such identity.

2. The other reasons have been presented and answered at other Assemblies, and therefore there is no occasion for repeating former satisfactory answers to the same reasons.

MANITOBA—REPORT ON OVERTURE, &c.

The Assembly called for the report of the committee to whom ^{Manitoba—} was referred the overtures from Manitoba. The report, embodying ^{Report on} a deliverance was submitted, on behalf of the committee, by Dr. Topp, ^{Overture, &c.} and was read. On motion, the report was received, and it was agreed to consider the several clauses of it *seriatim*. The three clauses of the deliverance were read and considered, one by one, and were severally adopted; and then, on motion of Dr. Topp, duly seconded, the deliverance was adopted as a whole, and is as follows:—

1. That the *status* of a professor in Manitoba College be accorded to the Rev. Thomas Hart, M.A., it being understood that Mr. Hart's salary will continue to be paid, as at present, by the Presbyterian Church of Canada in connection with the Church of Scotland.

2. That in accordance with the memorial of the Presbytery of Manitoba, ministers of the Presbyterian Church of Canada in connection with the Church of Scotland, appointed by the Synod of that Church to labour in Manitoba, shall have the same *status* accorded to them in the Presbytery of Manitoba as other members of the Presbytery.

3. That the Assembly expresses its gratification at the brotherly feeling manifested by elders and ordinary members of the Presbyterian Church of Canada in connection with the Church of Scotland, in connecting themselves with the congregations of the Canada Presbyterian Church in the Province of Manitoba; but, inasmuch as by so doing they are entitled to the privileges of membership, it deems it unnecessary to make any further declaration regarding their position.

ASSEMBLY, NEXT MEETING OF.

The Assembly, on motion of Dr. Proudfoot, duly seconded, resolved, That the meeting of the next Assembly be held at the city of Montreal, and within Erskine Church there, on the second Tuesday in June, 1875, at half-past seven o'clock in the evening. <sup>Assembly—
next meet-
ing of.</sup>

CORRESPONDENCE WITH OTHER CHURCHES.

The Assembly, on motion of Mr. J. M. King, agreed to leave the whole matter of appointing delegates to represent this Church in the Synods and Assemblies of other Churches in the hands of the Committee on Correspondence, appointed by the Assembly at their meeting in the city of Ottawa in June last. <sup>Correspondence Com.
to appoint
Delegates.</sup>

The committee is as follows:—Messrs. J. M. King, convener; Alexander Young, R. H. Warden, R. Rodgers, ministers; Morris C. Lutz, Archibald Campbell, and James Court, Elders.

UNION COMMITTEE RE-APPOINTED.

On motion of Professor McLaren, seconded by Dr. Proudfoot, the Assembly resolved, that the Committee on Union be re-appointed, appointed, and empowered, in conjunction with similar committees <sup>Union Com.
re-appointed.
or a</sup> which may be appointed by the other negotiating Churches, to make such arrangements as may be deemed necessary for the consummation of the Union to which this Assembly has agreed.

It was further agreed that the names of Messrs. John McTavish, James Middlemiss, and Professor McLaren be added to the committee.

UNION COMMITTEE.

Union Com. The committee as reappointed, with the additions foregoing, is as follows :—Dr. Topp, convener ; Dr. Taylor, Mr. R. Ure, Principal Caven, Mr. T. McPherson, Principal MacVicar, Mr. John McTavish, Mr. James Middlemiss, Professor McLaren, Ministers ; Messrs. D. McKay, Hon. J. McMurrich, Thomas McCrae, J. L. Gibb, G. Hay, T. W. Taylor, Elders.

THANKS.

Thanks. The Assembly agreed to record their thanks—

1. To the trustees of Knox Church for the accommodation furnished for this meeting.
2. To the members of the Church and other friends in the city, for their generous hospitality.
3. To the directors and managers of the railway companies who have granted a reduction of fare to members of the Assembly travelling over their respective lines.

CLOSE.

Close. The business being finished, the Moderator briefly addressed the house, and at his request prayer was offered by Dr. Topp. The Assembly engaged in praise, singing two stanzas of the 122nd Psalm, commencing with the 7th verse. The Moderator then declared this General Assembly dissolved, and, in the name of the Lord Jesus Christ, the only King and Head of Zion, indicted another General Assembly to be held in the City of Montreal, and within Erskine Church there, on the second Tuesday of June, 1875, at half-past 7 o'clock in the evening. The Moderator closed the session with the Apostolic Benediction.
